

Heavy duty enclosure

RBH ENCL2/ENCL2-PS

Robust enclosure with great features
with ample space for different devices and great ease of installation

RBH ENCL2 / ENCL2-PS

This robust metal enclosure is ideal for electronic security systems, offering a removable 180° swing door, secure key lock, and multiple entry points for easy wiring.

It supports various devices and configurations, including adapter plates and PS-1224. Designed for demanding environments, it ensures protection, ventilation, and convenient access for maintenance and installation.

Features:

- Removable Door
- Lock With 2 Keys
- Tamper Switch
- 2-Stage Knock Outs
- PS-1224 Mount
- Ventilation Slats
- Optional Adapter Plate

Enclosures are compatible with the following controllers:

UNC100, UNC-500, RC2M & IOC16M.
