DUOX PLUS IRIS 4.3" MONITOR HF

Reference	EAN
9256	8424299092560

Description.

Description

The hands-free monitor is characterized by its small size and extra-flat thickness.

Through its OSD menu and the arrangement of the buttons, its interaction with the user is simple and intuitive.

It's made of high-impact ABS plastic with a textured finish for easy cleaning and UV protection for increased resistance to sunlight. It also features a 4.3" (16:9) widescreen color display. Its balanced design with clean lines is distinctive, modern, and minimalist.

Technical Details
